★ Ugandaid

During Julie Bennett's recent visit to Uganda in February she was delighted to be able to spend time with Irene our sponsor student. Irene has completed her first year of her catering course and her first year's exam results were excellent.

Our sponsorship is a real opportunity for Irene, as it has been for our previous students to make something of her life despite her very poor and unfortunate start. Irene has asked Julie to pass on her thanks to all the children and parents who are supporting her during her time at the Nile Vocational College. A copy of one of Irene's most recent letter is printed overleaf.
