### Comic Relief

Thank you to all those families who supported the recent Comic Relief Day. £290.00 was raised which has been sent to the Comic Relief Charity.

### Ugandaid

The children at our school have sponsored a student at the Nile Vocational Institute in Jinja, Uganda for the past 12 years. We have sponsored four students, each for three years John, Jackline, Sourcetine & Paul.

Paul finished his 3 year course in Textiles last November. He is waiting to get his final exam results and is hoping to gain employment in the textile industry which will enable him to support his family.

Paul's achievement is not only down to his hard work but has been made possible by the children and parents at our school supporting our fundraising efforts, which have in turn paid his college fees.

Paul has thanked all the children and parents who have supported him during his time at NVI.

During Mrs Bennett's visit to Uganda in February she was delighted to be able to select and meet our new sponsor student.

Irene, who is 16, enrolled at the NVI in January and has started the first year of her catering course. Irene's father died in 2007 during the Konyi War. Irene has five younger siblings and her mother is a peasant.

Our sponsorship is a real opportunity for Irene, as it has been for our previous students to make something of her life despite her very poor and unfortunate start.
