

WELCOME

We are currently in full planning mode and are looking forward to our next fundraiser, the summer fair.

You should hopefully have all seen the fabulous posters around school advertising the event. The summer fair will take place on Saturday 23rd July 12:00 until 15:00 and this year's theme is an Olympic Rio Carnival.

If you can help out at the fair but haven't already signed up then please email altypta@hotmail.co.uk with the time you can help.

As we mentioned last time, whilst our children benefit from excellent teachers and support staff at the school, funding for facilities to enhance the teaching environment is very difficult to come by as the school is not always able to secure grants that are more readily offered to other schools. The school therefore relies heavily on the PTA to fund projects that really improve the children's learning environment, so supporting PTA events in any way you can really help.

We are really pleased that we have recently been able to purchase two new sports kits for the school along with 15 iPads.

We thank you for all your support for the last school year and look forward to the fundraising events in the next.

Future Projects

Interactive White Boards - The white boards in the class rooms are failing. We would like to start replacing these and future funds raised will go towards this.
