

Mobile phones should not be brought into school. On the few occasions they are allowed in school they must be sent to the school office for safe keeping.

Children should arrive and leave the school by the driveway alongside the nursery. You should not walk through the staff car park as this can be dangerous with cars coming and going.

All pupils care for our school.
We respect each other.

Keep your classroom tidy.
Do not drop litter.

Mrs Pickering is the caretaker.
She will help with lost items.

Please do not run or shout in the school building.

Speak to a member of the school staff if you feel something is wrong.
Stay safe and help each other.

Buddies

If you really want a buddy, all you have to do is ask!

Your teachers will just ask who wants to be your friend. I bet a lot of hands go up!

They will show you round and look after you

The School Day

The bell rings

We all go in

We have a break.

We have another lesson.

We have lunch break

We have lunch

We have another break

We go in

We have another lesson

We have one more break

We come back in

It is the end of the school day.

And whole world is happy!

See we have four playtimes,

Isn't that cool!

"We have a lot of fun in our school". "I enjoy school very much."

"I like the Computer Suite most of all"

Making new friends is easy, once you know how. If there is someone on their own, ask them to play with you. If there is a group ask to play with them.

The staff and children work very hard together to improve and maintain the following five areas in the school:

1. Behaviour
2. Learning
3. Attendance & Punctuality
4. Classroom organisation and management
5. Induction of new pupils and new staff

**HEALTHY
EATING
ALWAYS !**

SCHOOL COUNCIL

Our School Council helps to improve our school and make things happen.

We have been elected to represent our classes. Each class has a Pupil Council and everyone can have a say. We talk about the things we want to change.

The School Council meets twice every half term. We bring our class's opinions and ideas to the meetings, and make decisions together.

We are thinking about our playground and finding ways of providing more activities and equipment.

Our toilets have been improved and we want to keep them clean and attractive.

Children, staff and School Governors share their ideas with each other.

**HEALTHY SCHOOL MEALS
HEALTHY EATING
HEALTHY LUNCH BOXES**

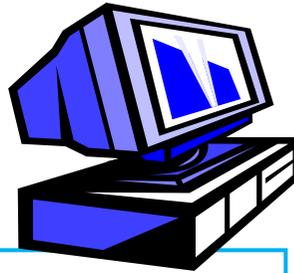

**No sweets
No crisps
No fizzy drinks
This school is
a healthy
eating
school**

ALWAYS HEALTHY EATING CHOICES

INTERNET SAFETY

Safety online is very important.

Share this information with your parents

- Help your children to understand that they should never give out personal details to online friends they do not know offline.
- Explain to your children what information about them is personal: i.e. email address, mobile number, school name, sports club, arrangements for meeting up with friends and any pictures or videos of themselves, their family or friends. Small pieces of information can easily be pieced together to form a comprehensive insight in to their lives and daily activities.
- Make your children aware that they need to think carefully about the information and pictures they post on their profiles. Inform them that once published online, anyone can change or share these images of them.
- It can be easy to forget that the internet is not a private space, and as result sometimes young people engage in risky behaviour online. Advise your children not to post any pictures, videos or information on their profiles, or in chat rooms, that they would not want a parent or carer to see.
- If your child receives spam or junk email and texts, remind them never to believe their contents, reply to them or use them.
- It's not a good idea for your child to open files that are from people they don't know. They won't know what they contain—it could be a virus, or worse - an inappropriate image or film.
- Help your child to understand that some people lie online and that therefore it's better to keep online mates online. They should never meet up with any strangers without an adult they trust. Always keep communication open for a child to know that it's never too late to tell someone if something makes them feel uncomfortable.

THE SCHOOL LOGO IS THREE FISH representing the three Altrincham churches of St Margaret, St George and St John.

The symbol of the fish

The fish symbol was created using the Greek letters which spell out **ICTHUS** : Jesus Christ God's Son Saviour.
ICTHUS also means fish
