

## Trafford Local Offer

### Trafford's Local Offer

Welcome to Trafford's offer of support for children and young people with Special Educational Needs or who are Disabled (SEND).

Every local authority must identify education, health and social care services in their local area provided for children, young people and families who have Special Educational Needs or who are Disabled (SEND). These services must be included in an information directory called the local offer.

Our local offer includes many different types of services that children and young people may need, including support services in school, short breaks, health services, leisure activities, travelling to school or college, training for work and help for young people to move towards independence in adulthood.

Our local offer is published here on the Trafford Service Directory. With your help, we have developed this directory to make it as easy as possible for you to find what you are looking for and to make sure our information is accurate and up to date. You can look at information in our local offer by category. As we continue to develop our information, you will be able to look at it in different ways, such as by age and by need.

**[View our local offer](http://trafford.childrensservicedirectory.org.uk/kb5/trafford/fsd/site.page?id=F5IHIP_2Kjs)** ([http://trafford.childrensservicedirectory.org.uk/kb5/trafford/fsd/site.page?id=F5IHIP\\_2Kjs](http://trafford.childrensservicedirectory.org.uk/kb5/trafford/fsd/site.page?id=F5IHIP_2Kjs))

Publishing our local offer helps us to see where the gaps in provision are. We include information about services provided outside our local area that local people are likely to use.

Local services should reflect what local people need. We must ask children, parents and young people what you think the local offer should include, and how you think people should be able to access it. We have worked with lots of parents, young people, service providers and partner organisations such as Trafford Parent Forum to develop our local offer. We have to publish what children, young people and parents tell us about our local offer and say clearly what we will do about the comments we receive.

If you prefer to get the information in a different way, such as over the phone or in the post, you can contact our [Family Information Service](#) and they will help you with this.
