

This week in Purple Class

17th November 2017

The children have had another really busy week. Our multi skills unit on hockey has finished. The children had a little competition between themselves to see who can score the most points when doing a push pass or a hit pass. Multi-skills continues on Wednesday and Friday until the end of this term and they will begin to learn a new skill unit next week.

In English we have been continuing to learn about suffixes and adding them to words. We also learnt how to write a letter, we had a letter from Father Christmas asking us to get our letters to him in early so he had time to make all the toys we would like. The children wrote some beautiful letters which have been posted and are on their way to the North Pole.

In maths we have been re visiting our number bonds to ten. We have also been learning about time and reminding ourselves of o'clock and half past.

We have been busy learning the songs for Christmas Nativity performance. Purple Class are the shepherds and costumes will be provided by school for the performances, there is no need for parents to purchase anything.

The children have loved playing in our building site and we have seen some fantastic designs and building taking place. We would like to develop a creative corner in the building site and would be grateful for any junk materials, boxes, kitchen rolls, yoghurt pots etc so the children can start constructing.
