

# This week in Purple Class

24<sup>th</sup> November 2017

The children have had a great week in PE this week. The new skill they have been learning is basketball. The progress has been rapid and in just two sessions the children have learnt how to bounce the ball one and two handed, dribble with their strong and weak hand, bounce pass and chest pass.

In maths we have learning about money and British coins. The children have been learning to recognise them. They have also been learning to make different amounts, Reception has been using pennies and Year 1 has been using all coins up to 50p. Next week we will be learning how to give change.

We have been continuing to learn the songs for Christmas Nativity performance as well as our class dance. Purple Class are the shepherds and costumes will be provided by school for the performances, there is no need for parents to purchase anything.

In RE the children have been beginning to learn about the Nativity story and the importance of Christmas.
