

Lilac Class News

9th March 2018

The children have been thinking carefully about what it means to forgive. In our RE lesson this week they role played some playground experiences and we all reflected on what forgiveness looks like and feels like. The children decided that it makes you feel better when you forgive someone and make friends.

Maps and atlases are really catching on in Lilac class! We learned the five oceans of the world this week. One of us even found Mumbai in a chicken nugget when we went for a post-parents' evening treat...(ask Mrs Moloney to show you the picture!)

We were fascinated to learn about the dabbawalas who deliver hot, home-made lunches to workers in Mumbai and we did some excellent information writing about them. Ask your child to tell you all about the different types of transport they use.

In PE this week we tried Bhangra dancing. Why not try it at home? Google some music and ask your child to show you their moves!
