Year 6 Leavers Book 2018

Dear Parents/Carers

Emma Birch and myself are putting together the leavers book for 2018 and we have arranged for a photographer to come into school to take some photos of the children in groups and individually.

The children have all been given a questionnaire to fill in and we will take some of this information from the children and use it in the book.

To ensure that we have got permission to take the children's photos, and for them to be used in the year book, please ensure that the attached form is returned to school before **Wednesday 13th June.**

If you do not return the completed form then sadly your child will miss out on being in the year book.

Many thanks

Helen Dunn and Emma Birch
