Monitoring the impact of the Pupil Premium Grant

Mr Inglis (Head teacher) and Mrs Hornby (Pupil Premium Lead) have overall responsibility for the attainment and progress of Pupil Premium children, although ensuring the progress of eligible pupils and evidencing this is a whole-school priority.

Children's progress and attainment is tracked and monitored carefully to ensure they achieve their full potential. Regular monitoring and evaluation is key to ensuring effectiveness of expenditure.

Monitoring is a joint responsibility of the class teacher and Senior Leaders and regular assessment data is analysed and acted upon. The DFE also analyse our school data and compare our results to national data.

Through our Governing Body meetings we report clearly on data for Pupil Premium and a transparent expenditure line is maintained in our financial monitoring so governors can link value for money with impact.

*One of the two PP children taking the Year 2 SATs is on our SEN register and it should be noted that her low scores have brought the group's average score down considerably.

We are delighted that all our pupils who are entitled to the Pupil Premium Grant continue to achieve well. We are proud to have enabled all our children to make such good progress in their key skills and are confident that this firm foundation will help them continue to make strong progress.
